All restricted funds were used consistently with their restricted purposes, with the understanding that the funds will be replenished as additional funds become available. Unrestricted net assets were negative at the end of the reporting period due to the decrease in net assets of \$391,744, which was an unusual net loss resulting from difficulties arising from the COVID-19 lockdowns occurring throughout 2020, which prevented the Organization from holding in-person fundraisers, which typically are a large source of revenue for the Organization.
